SPORTCO '90A'

FEATURING
5 BRILLIANT IMPROVEMENTS!

PRECISION-BUILT
to meet the needs of every shooter

MODEL '62A'

features both twin extractors and the revolutionary Sportco short movement trigger mechanism, which gives smooth uniform pull with increased accuracy on long shots—another brilliant Sportco achievement . . . the kind of trigger usually found only in expensive target rifles and shotguns. Fitted with 10 shot clip magazine.

MODEL '40'

**SINGLE SHOT
BOLT ACTION RIFLE £11/19/-**

The Model 40 combines Sportco high quality appearance and performance with low cost. Design includes provisions for scope mount blocks, allows easy and inexpensive fitting of telescope. New safety mechanism—prevents accidental firing in uncocked position. New wrap around locking handle for easy bolt operation.

1. IMPROVED LOCKING MECHANISM
2. IMPROVED FIRING PIN DESIGN
3. IMPROVED HAMMER SPRING DESIGN FOR LONGER LIFE
4. INTRODUCTION OF SAFETY SEAR ON TRIGGER
5. INTRODUCTION OF A "BULLET LEAD-IN"

Sportco's own research and development engineer produced the outstanding Model '90'—the only Pump Action Repeater in the World with a clip Magazine.

Now Sportco engineers have just released the '90A' with 5 incredibly effective improvements to give still greater efficiency. Experience true exhilaration and pride of owning a Sportco '90A' Pump Action Repeater. It suits both Left and Right hand shooters alike.
