

# MAKE HIS HOLIDAYS REALLY WORTHWHILE WITH A PRECISION-BUILT SPORTCO

Like all other Sportco owners he will like a Sportco for its **ACCURACY, QUALITY, PRICE and APPEARANCE,** plus the fact that it is Australian made.

Australian outdoor men enthusiastically chose the Sportco Model '90' .22 pump action repeater for its deadly accuracy and speed. . . .

## AND NOW IT'S THE SPORTCO "90A"

with 5 brilliant improvements

1. IMPROVED LOCKING MECHANISM.
2. IMPROVED FIRING PIN DESIGN.
3. IMPROVED HAMMER SPRING DESIGN FOR LONGER LIFE.
4. IMPROVED SAFETY SEAR ON TRIGGER.
5. INTRODUCTION OF A "BULLET LEAD-IN".

Sportco's own research and development engineers, who produced the outstanding Model '90', have just released the '90A' with 5 incredibly effective improvements to give still greater efficiency. Check these features, then see the '90A' at your local sports store.
